

# KUBIK – PARADISE THEATRE

## INTERNATIONAL TECHNICAL FACT SHEET

### AUDIENCE:

**Recommended age:** children aged 1-4 years old and families

**Capacity:** a maximum group of 100 spectators seated on raked stands or another formation that enables the young children to see is recommended. Please contact for any specific needs.

**Language:** Performance with small pieces of text, with versions in French, Spanish, Basque, Catalan, Italian or English. Please contact for other languages.

### STAGE-THEATRE

**Set:**           Width: 6 m.                   Length: 6 m.                   Height: 2.75 m.

For international trips (by plane), the actors will provide the set.

A black vinyl or wooden floor, 4 m. wide and 5 m. long minimum, is needed. If the dimensions of this floor are bigger it would be necessary to delimit it with a grey adhesive tape.

Complete darkness is necessary.
